## The Week Ahead: Sept. 20 to 26

BY JOHN THOMASON

Sunday

**Kula and Kula at Caldwell Theatre**, 7901 N. Federal Highway, Boca Raton; 3 and 7 p.m.; \$26 to \$36; 561/241-7432 or [www.caldwelltheatre.com](http://www.caldwelltheatre.com)

The Caldwell Theatre will celebrate the American Jewish New Year with this special variety program featuring two multit talented Kulas (or perhaps *Kulim*, for the Hebrew speakers). Aaron Kula, music director for FAU Libraries' acclaimed ensemble in residence, the Klezmer Company Orchestra, will bring his band's multicultural fusion sound to the theater stage. He will be joined by the influential rabbi Irwin Kula, an author, media commentator and curator who will speak on the spirit of the holiday.

This was originally slated as a single 3 p.m. performance, but the theater added a 7 o'clock show to meet an overwhelming demand.
